DATE: 31.07.2023 | EDITION : 2023-VII

SISTec-E

SISTec-R

OBJECTIVE

To become a One-stop Solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

Dr. Manish Billore featured on National Television

Dr. Manish Billore, Principal, Sagar Group of Institutions - SISTec Ratibad featured on the national television Doordarshan Madhya Pradesh, in their program Namaskar M.P. exploring the Importance of Skill Development in Placements. During the interview, Dr. Billore eloquently highlighted the significance of acquiring relevant skills in today's competitive job market.

सिविल इंजीनियरिंग की व्यवहारिक समस्या एवं समाधान

डॉ. मनीष दुबे
बी.ई. (सिविल), एम.ई. (फोटोबल टेक्नो.)
कंसल्टेंट इंजीनियर
मो.: 9425080197
ई-मेल: dubey.manishyw@yahoo.com

सिविल इंजीनियरिंग सर्वाधिक प्राचीन, महत्व और सरलता से उपलब्ध इंजीनियरिंग को शाखा है। लेकिन आज के परिदृश्य में यही सब कुछ सिविल इंजीनियरिंग और इंजीनियर्स को मिलने वाले कई अवसरों को प्रभावित भी कर रहे हैं। बहुत बड़े मात्रा में गैर सिविल इंजीनियर्स तथा गैलरियोंको वर्ग द्वारा, सिविल इंजीनियरिंग के कार्यों को निष्पादन करने का चलन बहुत ही जा रहा है। यह निम्नलिखित कारणों जटिल और चुनौतिक है, लेकिन सिविल इंजीनियरिंग को महत्व और सिविल इंजीनियर्स के विकास में सीधे संबद्ध होने के कारण इस और ध्यान देना अत्यंत आवश्यक है। विज्ञान एवं इंजीनियरिंग को अन्य शाखाओं के कार्यों को किसी दूसरे क्षेत्र के जर्नल द्वारा किये जाने के अंतरात बहुत ही कम पाए जाते हैं लेकिन सिविल इंजीनियरिंग में जुड़े कार्यों में ऐसे उदाहरण अत्यधिक देखने में आते हैं। इस समस्या का प्रमुख कारण, अधिकांश सरों पर सिविल इंजीनियरिंग और उसके महत्व के प्रति जगरणकता को कमी तो है तो साथ में कई अन्य पक्ष भी हैं जिन पर विचार होना चाहिए। जब हमारा समाज और हम सिविल इंजीनियर्स खुद भी इंजीनियरिंग के प्रति जागरूक होते वभी सिविल इंजीनियरिंग शाखा और उसके कार्य करने वाले इंजीनियर्स दोनों को अपना चरमोच्च स्थान प्राप्त हो सकेगा। इसी संदर्भ में, निम्नलिखित कार्यों में इंजीनियर्स को पठनीय सहायता के कारणों को विद्वान चर्चा हो यहाँ की गयी है।

1. निर्माण-प्रक्रिया की सर्वसुलभता

इंजीनियरिंग को किसी भी अन्य शाखा के कार्य अनुसंधान के लिए सुलभ नहीं है। फेडरेशन और इंजीनियरिंग इंजीनियरिंग के कार्य अधिकांशतः किसी कारखाने को पारदोचारे के अंदर जटिल मशीनों के द्वारा ही सम्पन्न होते हैं। ऐसे ही कंस्ट्रक्टर और सॉल्यूशंस से संबंधित प्रक्रियाएँ भी किसी बंद कंस्ट्रक्शन के अंदर संचालित होती हैं जिनमें बिना किसी उपकरणों ज्ञान या उपयुक्त असाईटों के जाता हो नहीं जा सकता है। इन सबके विरुद्ध विपरीत, सिविल इंजीनियरिंग निर्माण को सारी प्रक्रियाएँ उसके उपभोक्ता के सामने ही संचालित होती हैं, जिनमें उपभोक्ता सीधे अन्य लोग भी आसानी से देख और जान सकते हैं। यहाँ से समस्या भी शुरू होती है। गुरु सिविल इंजीनियरिंग अवधारणाओं पर आधारित फाउंडेशन, पैरवॉल, कॉन्क्रीटिंग, प्लास्टीफिकेशन और फ्लोयिंग जैसे क्रियाओं को जब धोरे भी सामान्य जनिक संचालित होने शुरू देखा है, तो उसे से सब गतिविधियाँ बहुत सामान्य प्रतीत होती हैं। जो जर्मिक इन सब के पीछे छुपी सिविल इंजीनियरिंग से पूर्णतः अज्ञान हो बन रहा है और जल्दी ही खुद को विभिन्न निर्माण प्रक्रियाओं का विशेषज्ञ मानने लग जाता है। योजन करने पर वो विभिन्न निर्माण गतिविधियों को खुद ही संचालित भी करने लग जाता है। इसी प्रक्रिया के माध्यम से हमारे बीच कई गैर-सिविल या बिना पढ़े निम्नलिखित लोग भी विभिन्न निर्माण कार्यों को बिना किसी सिविल इंजीनियरिंग असाधार के निष्पादन कर रहे हैं। छोटे मोटे गृह या कार्यों को यहाँ तो छोड़िये बड़े-बड़े शहरों में भी कई पढ़े-लिखे समझदार लोग भी अपने मकान बिना किसी सिविल इंजीनियरिंग संलग्नता के, मात्र किसी सैन्डविचबोर्ड टेकनिक के द्वारा ही बनवाते देखे जाते हैं। इस सबका परिणाम मशीनें और

National Level Student Innovation Competition

The students from the Dept of Mechanical Engineering have achieved remarkable success by securing the 2nd and 3rd prizes, valued at ₹80,000 and ₹70,000 respectively in the National Level Student Innovation Competition 2023 conducted by the Ramakrishna Mission Saradapitha, Belur Math, Howrah West Bengal as part of celebrating 129th year of Ramakrishna Mission in collaboration with Ministry of Culture, Govt. of India.

The project Smart Drip Monitoring System made by Pradeep Saket, Rajeev Saket, and Rohit Choudhary secured 2nd prize, whereas Green Powered AC System by Vishal Chouhan, Shraddha, and Vishal Soni secured 3rd prize in the Western Zone competing against 800+ teams from all over India.

Kisan Mitra Workshop on Tractor Maintenance and Soil Testing

Kisan Mitra, an exclusive One-Day Workshop on Tractor Maintenance, Farm Machinery, and Soil Testing, was successfully organized at the Centre of Excellence in Farm Machinery. The event proved to be of immense benefit to the engineering students, sarpanches, office bearers, and hundreds of farmer brothers of nearby 14 panchayats, as it provided a platform for them to enhance their understanding of crucial aspects related to farming.

Workshop on Knowledge of Tractor Engine

A highly informative and practical event on "Knowledge of Tractor Engine" was conducted at the SISTec-Eicher Center of Excellence (CoE) in Farm Machinery. The event was facilitated by the expert Mr. Pravesh Kumar, a Technical Trainer at Eicher Tractor, who shared valuable insights into the intricate workings of tractor engines and demonstrated the disassembly and assembly procedures.

In the practical session, Mr. Pravesh Kumar expertly demonstrated the step-by-step disassembly of a tractor engine. He emphasized the importance of proper handling and careful observation during the disassembly process.

NPTEL Awareness E-Workshop

We organized an NPTEL Awareness E-workshop in collaboration with the NPTEL Local Chapter Team. During this highly informative workshop, we delved into a range of topics that are of utmost importance in today's professional landscape. These included Domain Certification, FDP (Faculty Development Program), Job-Oriented Courses, Soft Skills Workshops, and NPTEL Stars.

The banner features a dark blue background with yellow and white accents. On the left, a circular inset shows the Sagar Institute of Science Technology & Research building. The text 'LIVE SESSION' is in a yellow box with a play button icon. The main title 'NPTEL AWARENESS E-WORKSHOP' is in large white and yellow letters. Below it, 'In Association with Sagar Institute of Science Technology and Research Bhopal, Madhya Pradesh' is written in yellow. At the bottom, a yellow bar contains the date and time: 'Date & Time: July 26, 2023 | 10:00 AM'.

NPTEL - LC - Awareness Workshop- Sagar Institute of Science Technology and Research - 26th July,2023
