SISTec-E

SISTec-R

OBJECTIVE

To become a One-stop Solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

International Conclave

The Departments of Mechanical Engineering at SISTec-E and UIT RGPV, Bhopal jointly organized a 2 Day International Conclave on “Industry 4.0: Digital Transformation & Smart Manufacturing Technologies”. Industry 4.0 Education is an emerging field and is demanded among the students, the potential is immense. The objective of this conclave is to bring people from industries on a common platform to share expertise, scientific issues, current techniques, and achievements in the domain's digitalization in the manufacturing process.

The inaugural function witnessed the presence of Program Chair Prof. Sunil Kumar (Honourable Vice-Chancellor, RGPV) and Keynote Speaker Dr. Yogiraj Pardhi (Global Lead-Additive Manufacturing, Sulzer Ltd., Germany). The conclave was further divided into more technical sessions, headed by expert speakers Mr. Nitin Rahangdale (Manager, Forbes Marshall, Pune), Mr. Rohit Kumar (Technical Manager – Welding Division, Wiltz Group), and Mr. Ajay Holey (Manager Advance Operation, John Deere, Pune).

NPTEL Certification

24 students from the Dept of Electrical Engineering were felicitated in the Morning Assembly for successfully completing the NPTEL Course on "Waste to Energy Conversion", with 7 of them receiving the Elite Certification under the guidance of Prof. Priyanka Rajawat, who was also felicitated for completing the Faculty Development Programme for the same course.

Sagar Manthan

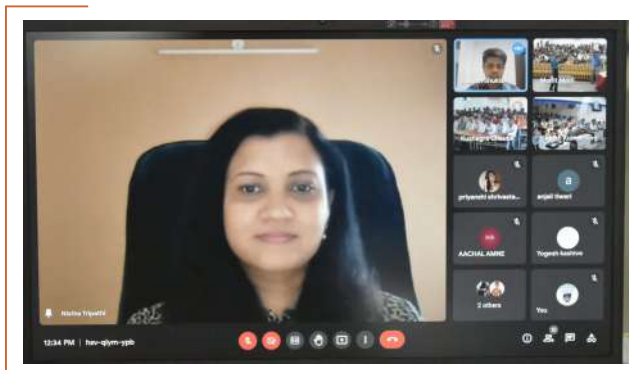

Team Corporate Training organized "Sagar Manthan 2022" for the students of the B.Tech 2023 passing out batch. It is a 360° Placement Oriented Training Program with a major focus on Aptitude, Life Skills, Communication Skills, and preparatory sessions for Group Discussions, Technical Interviews, and Personal Interviews. Various Expert sessions such as Internet Maturity, Diet and Wellness for Professionals, Mind Management through Creative Visualization, HR Awareness, Stress Management, and Aptitude/Verbal Skills were conducted in line with Fun Activities, Quizzes, and Tests.

Eminent Guests and Experts such as Mr. Raghu Pandey [University of Massachusetts Alumni (Founder at IMature EdTech)], Dr. Ruma Bhattacharya (Direct Council Member of Indian Psychiatry Society), and Ms. Nidhi Pandey (Diet and Nutrition Consultant at N.H.Goel Finishing School) along with SISTec Corporate Training Team rendered extremely productive sessions with a great deal of learning.

Corporate Relations' Initiatives

- Team Corporate Relations organized an exclusive session, "Book Launch of Futurepreneurs", written by Ms. Nistha Tripathi, a bestselling writer, and Mr. Varun Aggarwal, an MIT-trained entrepreneur, Co-Founder of Aspiring Minds & AI Chief Technical Officer, SHL Global. The main motive of introducing this session was to make students get interested in reading business books. Many interesting points were discussed during the session like what is Deeptech, AI?; how much writers earn?; how to find mentors?; how one can build a career in AI and Deeptech?; Evaluation of Good and Bad Ideas; and more.

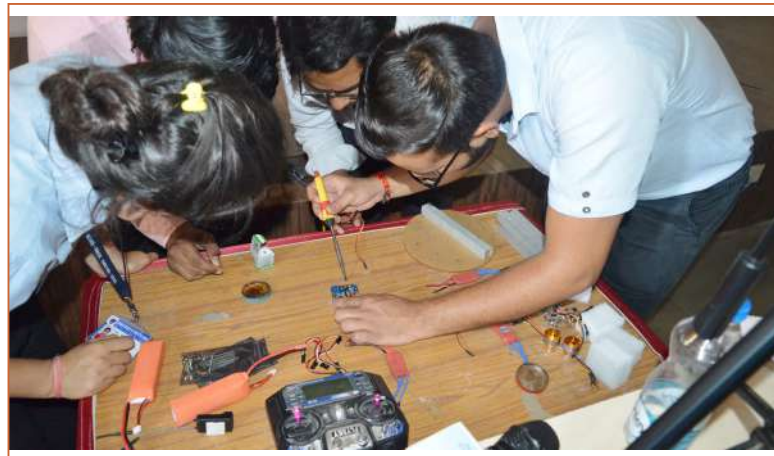

- For better employability, you need to get a proper awareness of skills enhancement & pre-requisites of preparation for Campus. An exclusive session was conducted by Team Corporate Relations for B.Tech 1st Year students to provide end-to-end assessment parameters of AMCAT.

Drone Club Workshop

The Drone Club organized a Workshop on "Discover and Fly with Drone" by Expert Speaker Mr. Yashraj Sunhare (Co-founder & CEO, Jarvis Labs Pvt Ltd), during which he gave insights into the Drone industry and its application. The students also got to learn about the designing and fabrication process of Drone along with mounting electronic components. The workshop concluded with a live demonstration of flying the drone on the college campus.

Institutional Innovation Cell Activities

- IIC SISTec-E organized a workshop on "Intellectual Property Rights & IP Management for Start-ups" by Mrs. Pooja Kumar (Founder and Director, Innove Intellects | Registered Patents Agent and Startup Facilitator, Govt. of India | Mentor - Women Empowerment) on the occasion of World IPR Day.

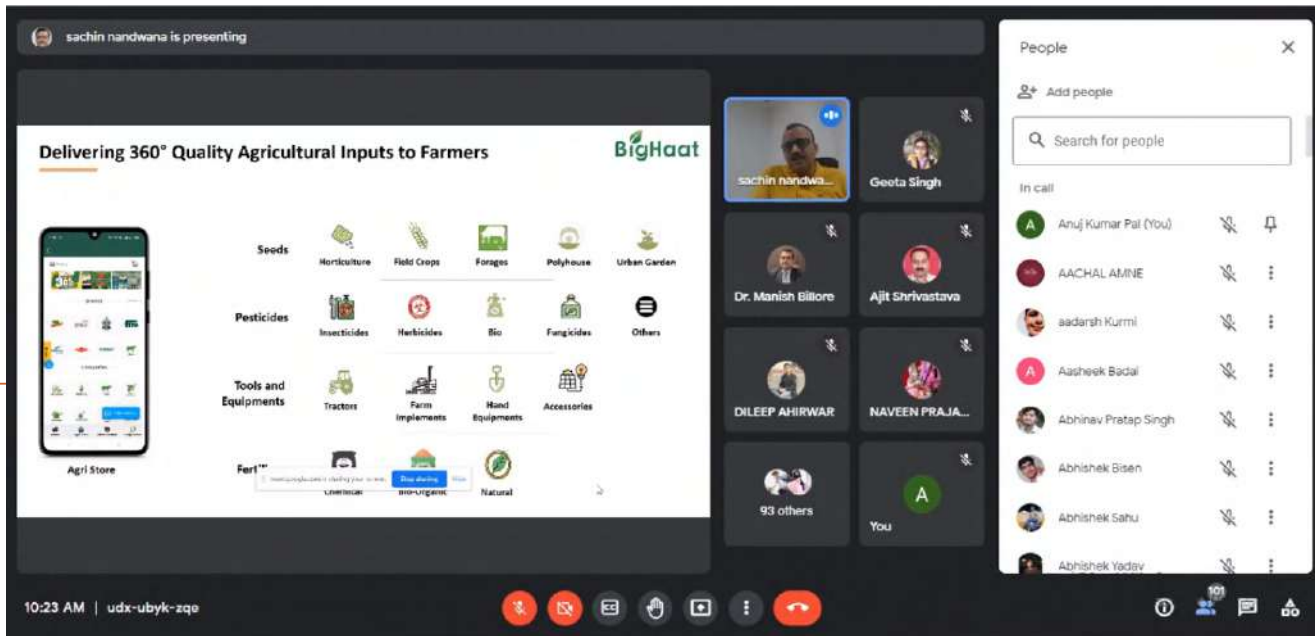

The screenshot shows a Zoom meeting interface with four participants in a vertical column on the left: Dr. Aayush Shrivastava, Prof. Ashish Singhal (IIC Presid...), pooja, and Prof. Prasant Kumar. The main screen displays a presentation slide titled "INTRODUCTION TO IPR". The slide features the "HAPPY WORLD INTELLECTUAL PROPERTY DAY 2020" logo, a central diagram titled "IPR in India" with categories: Patent, Trade Secret, Trade Mark, Copyright, Plant Breeder Right, Utility Model / Design, and Geographical Indication. The presenter is identified as Pooja Kumar, Director/Founder (IPR EXPERT) at Innove Intellects LLP, with contact email pooja@innoveintellects.com and phone number 9910627125. The slide footer includes the InnoveIntellects logo and the text "Introduction to I.P".

- IIC SISTec-E organized a Workshop on "Business Canvas Model" by Mr. Ajay Hiraskar (CEO & Chief Alchemist, Success Alchemists | Governing Council Member, The Indus Entrepreneurs | Distinguished Toastmaster (DTM) | Tedx Speaker Coach | Former Director - Global Application Packaging Dell Inc.).

The screenshot shows a Zoom meeting interface with four participants in a vertical column on the left: Ajay Hiraskar, Dr. Aayush Shrivastava, Prof. Ashish Singhal (IIC Presid...), and Subinoy Roy. The main screen displays a presentation slide with the text: "A business model describes **ALL THE PARTS** of the company necessary to make money". The slide footer includes the text "Workshop on 'Business Model Canvas'" and the SISTec Engg. logo in the top right corner.

Expert Talks

- The Dept. of Computer Science & Engineering organized an expert talk on “Scope in Web Commerce for Budding Entrepreneurs” by Mr. Sachin Nandwana (Co-founder and Director, Big Haat India).

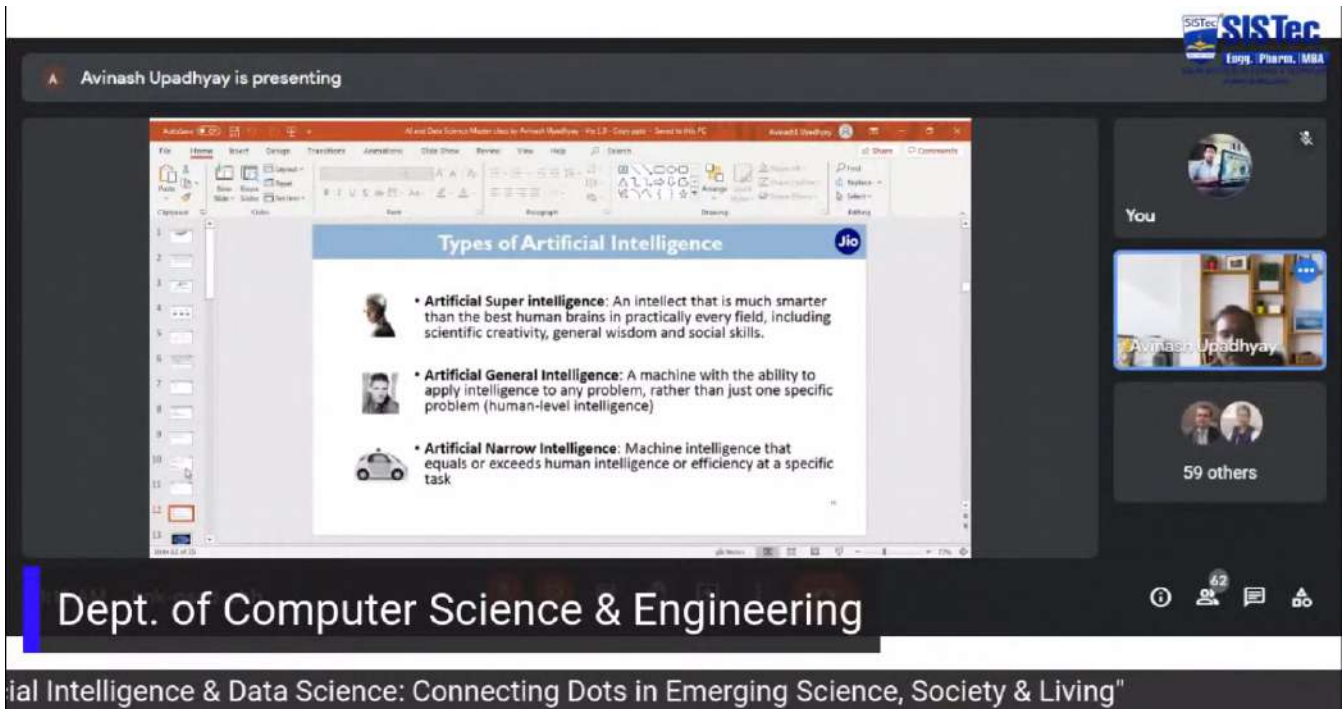

- The Dept of Electrical Engineering organized an expert talk on “Renewable Energy, Energy Storage, and Electric Mobility Infrastructure” for 6th semester students of Electrical, Mechanical, and Electronics & Communication Engineering by four distinguished experts, Mr. Amit Jain (Director & Co-founder of EnerQual Technology), Mr. Amit Raje (Chairman and MD of Aartech Solonics Ltd), Mr. Pinaki Bhattacharya and Mr. Dinesh.

Expert Talks

The Dept. of Computer Science & Engineering organized an expert talk on “Artificial Intelligence & Data Science: Connecting the Dots in Emerging, Science, Society & Living” by Mr. Avinash Upadhyay (General Manager, Reliance Jio Limited).

The screenshot shows a Zoom meeting interface. At the top, it says "Avinash Upadhyay is presenting". The main content is a presentation slide titled "Types of Artificial Intelligence" with the Jio logo. The slide lists three types of AI:

- **Artificial Super Intelligence:** An intellect that is much smarter than the best human brains in practically every field, including scientific creativity, general wisdom and social skills.
- **Artificial General Intelligence:** A machine with the ability to apply intelligence to any problem, rather than just one specific problem (human-level intelligence)
- **Artificial Narrow Intelligence:** Machine intelligence that equals or exceeds human intelligence or efficiency at a specific task

On the right side of the Zoom window, there are video thumbnails for "You", "Avinash Upadhyay", and "59 others". At the bottom of the Zoom window, there is a blue banner that reads "Dept. of Computer Science & Engineering". Below the Zoom window, the title of the talk is partially visible: "Artificial Intelligence & Data Science: Connecting Dots in Emerging Science, Society & Living".

Industrial Visits

Industrial Visits play an integral part in the teaching-learning process at SISTec Ratibad. Periodically these visits are organized for students to bridge the gap between industry and academia and help students get acquainted with class learning and industrial applications.

- The Dept. of Civil Engineering organized a visit to the “Sewage Treatment Plant at Neelbad, Bhopal” for 4th and 6th semester students. They witnessed the working of various units of the sewage treatment plant such as the aeration tank, sedimentation tank, and disinfection using the UV Method. Apart from this the students also visited the laboratory of the plant. This visit enhanced the clarity of the concepts of Environmental Engineering.

- The Dept. of Electronics and Communication Engineering organized a visit for students of the 4th and 6th semester at “CRISP Bhopal”, there they visited Solar Lab, Embedded System, VLSI Lab, PLC Lab, CNC Lab, CAD/CAM Lab, and Field Instrumentation Lab. Mentors of these labs gave an overview of the efficient approach to proper power management, remote monitoring, and controlling of motors and machines.

- The Dept. of Basic Science, First Year Cell organized a visit to the “Regional Science Centre, Bhopal”, for 2nd semester students with the objective to foster the students and make them understand science experiments of mechanics, optics & thermodynamics and to reveal the augmentation of science and technology and their application in various fields.

Industrial Visits

Industrial Visits play an integral part in the teaching-learning process at SISTec Ratibad. Periodically these visits are organized for students to bridge the gap between industry and academia and help students get acquainted with class learning and industrial applications.

- The 2nd semester students of Electrical and Mechanical Engineering visited “Parle Agro Pvt. Ltd, Mandideep, Raisen,” to learn the internal functioning, practical working environment, and various processes involved in manufacturing biscuits.

- The Dept of Mechanical Engineering organized a visit to “Shree Singaji Thermal Power Plant (2520 MW), Khandwa”. The students gained knowledge about various sections like the coal handling plant, boiler section, ESP functioning, turbines & condenser section, cooling tower functioning, functioning of demineralisation plant, and many more.

- The 6th semester students of Mechanical Engineering visited “Parle Agro Pvt. Ltd, Mandideep, Raisen,” to learn the internal functioning, practical working environment, and various processes involved in manufacturing biscuits.

- The Industry Institute Partnership Cell (IIPC) and the Dept of Mechanical Engineering organized a visit at “Kushabhau Thakre International Convention Center, Bhopal”. The students gained knowledge about the HVAC system, HVAC duct system, chiller plant, cooling tower, condenser, and evaporator.

SISTec Premier League Award Distribution

The 2nd season of the SISTec Premier League, an inter-collegiate sports event, witnessed three major tournaments: Cricket, Volleyball, and Basketball. A prize distribution ceremony was conducted in the morning assembly to felicitate the winners.
