SISTec-E

SISTec-R

OBJECTIVE

To become a One-stop Solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

National Employability Award 2023

SISTec is awarded the National Employability Award 2023. The award was presented by Mr. Jasmeet Singh Sethi, AVP – Campus Solutions at SHL.

Congratulations!

**Sagar Group of Institutions -
SISTec, Bhopal** for winning the
**National Employability
Award 2023**

SHL.

Achievement at Regional Meet IIC and Meeting with Zonal Coordinator

The students from the Dept. of Electrical and Mechanical Engineering have won two titles, namely "Encouraging Startup" and "Innovative Startup" at the Regional Meet of IIC Central Zone (MP, CG, Gujarat).

The teams got these awards in a tough competition with 75+ projects coming from three states, at the regional meet. The winning teams presented their projects: "IoT Based Automatic Power Saving Device" and "Solar Tillage Machine", mentored by Dr. Aayush Shrivastava and Prof. Bhoopendra Singh respectively.

Mr. Abhishek Ranjan, Zonal Coordinator – Institution's Innovation Council (SWRO & CRO Zone) attended the morning assembly and felicitated the two teams. He also conducted an interactive session with the IIC team and appreciated the initiatives taken by the Institute.

3 Days Workshop on "Design Thinking"

The Department of Mechanical Engineering under the banner of Institutions' Innovation Council and Industry Institute Partnership Cell organized a 3 Days Workshop on "Design Thinking" with students from the different engineering branches taking part in it.

As an expert, Mr. Anurag Singh (Founder & Chief Designer, AMEM) explained the fundamentals of design thinking to the students. On the first day, the students were exposed to the complete concepts of design thinking. On the second day, he gave certain team activities based on design imagination and creativity for the students in the workshop. On the third day of the workshop, the expert explained the product design and considerations by many real examples.

Shri Siddharth Sudhir Agrawal, Managing Director, Sagar Group graced the valedictory ceremony of the workshop and addressed the students regarding the importance of design thinking and how it is the foundation for any engineering project. The overall workshop benefitted a lot to the students.

Expert Talk on "Why Automation and Automation Basics"

The Dept of Electronics & Communication Engineering organized an Expert Talk on "Why Automation and Automation Basics" by the CEO of AME Consultants & Training, Bhopal Mr. Nikhil Kaushik. The expert covered many important topics such as the need for Automation; the necessity of PLC in Automation; the hierarchy of Automation Control; Human Machine Interface; and the growth of the 4th Industrial Revolution.

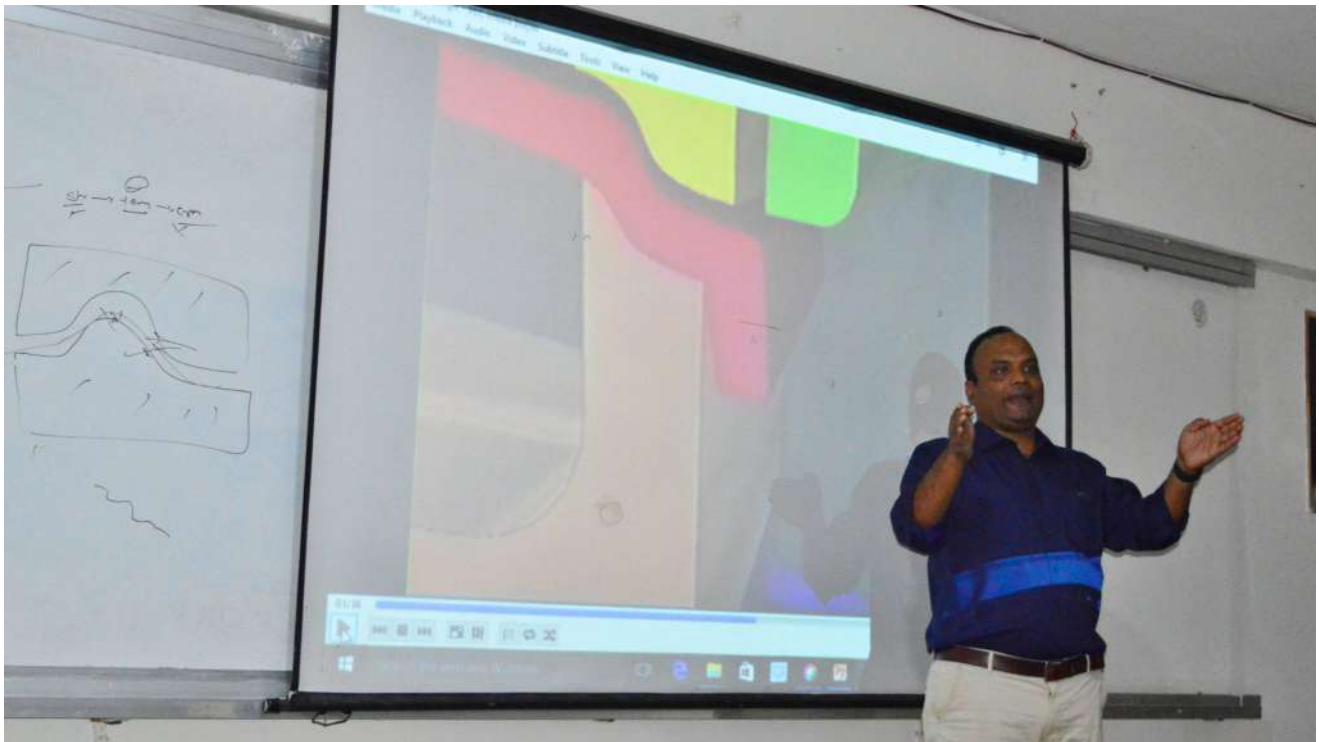

Expert Talk on "Technology Transfer and Intellectual Property"

The Institutions' Innovation Council organized an Expert Talk on "Technology Transfer and Intellectual Property" by Resource Person Ms. Himani Vashist (Technology Officer, FITT - IIT Delhi). The session started with explaining the types of IPR namely patents, trademarks, and copyrights. She further went on to discuss in detail: transforming ideas into opportunity, key elements in technology transfer, technology transfer model licensing to industrial use, technology transfer process steps, and more.

Inauguration of SAE India Collegiate Club

The Dept of Mechanical Engineering Inaugurated the SAE (Society of Automotive Engineers) India Collegiate Club with Chief Guest Mr. Rajesh Pandagare (Sr. Project Manager (Vehicle Design), L&T Technologies, Bangalore) followed by a keynote session for students and faculties.

Inauguration of SISTec Speaks – The Public Speaking Group

SISTec Speaks – The Public Speaking Group set forth its journey with a debut event, where the students prepared content on pre-planned topics and delivered it in front of the club members. The mentors shared corrective measures that the students can undertake going forward with upcoming events.

TCS Pre-Placement Orientation

Team Corporate Relations organized TCS Pre-Placement Orientation for the Class of 2023. Team TCS including the HR Team Mr. Gaurav Ghelani (Regional Head, TCS), Ms. Purvi Chouhan (Talent Acquisition Team), and Ms. Sukanya Sen (Talent Acquisition Executive) interacted with the students, heads, and seniors for further Development of Technical Modules.

Closed Placement Drive of D.K. Electro-Mech Corporation

A Closed Placement Drive of D.K. Electro-Mech Corporation (DKEMC) was organized for the Mechanical Engineering students to onboard fresh talent for the profile of Junior Design Engineer at a package of 2.16 – 3.36 LPA. The process was coordinated by TPO SISTec with recruiters welcoming the participants and explaining the necessary details about the company, recruitment process, their job profiles, etc.

'Sagar Group', an invariably embraced mega-conglomerate is accurately contributing towards Atma Nirbhar Madhya Pradesh's, and thus India's, economic pace. We believe that the prime aim of life must be uplifting others.
